

Interested in ACHD CERTIFICATION?

The first Adult Congenital Heart Disease (ACHD) Certification exam will be administered on October 20, 2015.

Adult congenital heart disease specialists currently certified by the American Board of Internal Medicine in Cardiology and by the American Board of Pediatrics in Pediatric Cardiology will be able to apply for admission to the certification examination through ABIM.

- ✓ Read ACHD Certification policies at abim.org/achd-policy
- ✓ View the ACHD Certification exam blueprint at abim.org/achd-blueprint

Register for the ACHD Certification exam **March 1** through **May 15, 2015** (*late registration May 16 through June 1, 2015*).

Special Information for Pediatric Cardiologists

Interested physicians holding certification in Pediatric Cardiology from the American Board of Pediatrics **must first** obtain an ABIM ID **before** registering for the exam.

To obtain one, visit abim.org/findID and complete the form to see if your name is in our system. If it is not, call us at 1-800-441-2246 and we will provide you with an ABIM ID via e-mail within 24–48 hours of your request.
